Resume

---

Education:
- High School Code: 160015
- GPA: 3.7
- SAT: 1490 (Math: 740, Reading & Writing: 750)

Activities and Achievements:
1. Lead Organizer, Coding Symposium
   - ❖ Founded and organized an annual coding event attended by over 200 students and professionals.
   - ❖ Coordinated with industry leaders to serve as guest speakers and workshop facilitators.
   - ❖ Managed a team of 10 volunteers for logistics, marketing, and day-of-event operations.
2. President, Chess Club
   - ❖ Elevated the club from a casual gathering to a competitive team that competes at the state level.
   - ❖ Organized weekly training sessions, intraschool tournaments, and fundraisers.
   - ❖ Spearheaded community outreach initiatives to introduce chess to local elementary schools.
3. Developer, Personal Coding Projects
   - ❖ Created a machine-learning model to predict the outcomes of chess matches based on player statistics.
   - ❖ Developed an open-source utility tool that automates common tasks for students, such as note summarization and study scheduling.
   - ❖ Portfolio available on GitHub.
4. Member, Surf Team
   - ❖ Competed in regional and state competitions, consistently ranking in the top 10.
   - ❖ Collaborated in team training programs, emphasizing balance and core strength training.
   - ❖ Assisted in organizing community beach clean-up events.
5. Volunteer, Local Food Bank
   - ❖ Contributed over 100 hours sorting, packing, and distributing food.
   - ❖ Helped implement a more efficient inventory system, reducing food waste by 20%.
   - ❖ Served as a liaison to recruit high school volunteers, doubling youth involvement within a year.
